

Easy English for Simple Homeschooling

Homeschooling can be a rewarding experience, but it can also be challenging, especially when it comes to teaching English. English is a complex language with many rules and exceptions, and it can be difficult to know where to start when teaching it to your children.

That's where Easy English comes in. Easy English is a simplified version of English that is designed to make it easier for children to learn. It uses simpler grammar, shorter sentences, and more concrete vocabulary. This makes it ideal for homeschooling, as it can help children to build a strong foundation in English without getting overwhelmed.

In this article, we will provide you with a comprehensive guide to using Easy English for simple homeschooling. We will cover everything from choosing the right curriculum to creating engaging lesson plans. We will also provide you with tips and resources to help you make the most of your homeschooling experience.

Easy English for Simple Homeschooling: How to Teach, Assess, and Document High School English (The HomeScholar's Coffee Break Book series 20) by Lee Binz

The first step to homeschooling with Easy English is to choose a curriculum. There are a variety of Easy English curricula available, so it is important to do your research and find one that is right for your child.

When choosing a curriculum, you should consider your child's age, learning style, and interests. You should also make sure that the curriculum is aligned with your state's homeschooling standards.

Here are some of the most popular Easy English curricula:

- **Easy English from A to Z** is a comprehensive curriculum that covers all aspects of English, from phonics to grammar to writing.
- **First Language Lessons for Little Ones** is a gentle to English for young children.
- **Teach Your Child to Read in 100 Easy Lessons** is a phonics-based curriculum that teaches children to read quickly and easily.
- **The Writing Road to Reading** is a language arts curriculum that combines phonics, grammar, and writing.

Once you have chosen a curriculum, you can begin planning your lesson plans.

Lesson plans are an important part of homeschooling, as they help you to stay organized and on track. When creating lesson plans, you should keep the following in mind:

- **Your child's age and learning style.**
- **The goals of the lesson.**
- **The materials you will need.**
- **The activities you will do.**

Here is a sample lesson plan for an Easy English lesson:

- **Subject:** English
- **Grade Level:** 1st Grade
- **Topic:** The Alphabet
- **Goals:**
 - To identify the letters of the alphabet.
 - To recognize the sounds of the letters.
 - To write the letters of the alphabet.
- **Materials:**
 - Alphabet flashcards
 - Alphabet chart
 - Pencils
 - Paper
- **Activities:**
 - Sing the alphabet song.

- Play an alphabet matching game.
- Write the letters of the alphabet in sand or shaving cream.
- Have your child trace the letters of the alphabet on an alphabet chart.

You can adapt this lesson plan to fit your child's needs and interests. For example, if your child is already familiar with the letters of the alphabet, you could focus on teaching them the sounds of the letters. Or, if your child is a visual learner, you could use more hands-on activities, such as playing an alphabet matching game or writing the letters of the alphabet in sand or shaving cream.

Here are some tips for teaching Easy English:

- **Start with the basics.** Don't try to teach your child too much too soon. Start with the basics, such as the alphabet, phonics, and simple grammar.
- **Make it fun.** Learning should be fun! Use games, songs, and other engaging activities to keep your child interested.
- **Be patient.** Every child learns at their own pace. Don't get discouraged if your child doesn't seem to be progressing as quickly as you would like.
- **Praise your child's efforts.** Even small successes should be celebrated. This will help to motivate your child and make learning more enjoyable.

There are many resources available to help you homeschool your child in English. Here are a few of our favorites:

- **Easy English from A to Z** website: This website provides a wealth of resources for teaching Easy English, including lesson plans, worksheets, and games.
- **First Language Lessons for Little Ones** website: This website provides free lesson plans and resources for teaching English to young children.
- **Teach Your Child to Read in 100 Easy Lessons** website: This website provides a free online course that teaches children to read quickly and easily.
- **The Writing Road to Reading** website: This website provides a free language arts curriculum that combines phonics, grammar, and writing.
- **Homeschool Legal Defense Association (HSLDA)**: HSLDA is a non-profit organization that provides legal advice and support to homeschooling families.

Homeschooling with Easy English can be a rewarding experience for both you and your child. By following the tips and resources in this article, you can help your child to build a strong foundation in English and develop a lifelong love of learning.
