The Praxis Core is a standardized test required for teacher certification in most states. It is designed to measure the academic skills and knowledge that all teachers should have, regardless of their subject area.

The Praxis Core consists of three tests:

- Reading
- Writing
- Mathematics

Each test is scored on a scale of 100 to 600, with a passing score of 150. In order to obtain your teaching certificate, you must pass all three tests.

Praxis Core For Dummies is a comprehensive study guide that can help you prepare for the Praxis Core. The book provides:

- A thorough review of all three Praxis Core tests
- Practice questions for each test
- Tips and strategies for taking the test
- Access to online practice tests

If you are planning to take the Praxis Core, Praxis Core For Dummies is the perfect study guide for you. With its comprehensive coverage of the test and its helpful practice questions, Praxis Core For Dummies will help you prepare for and pass the Praxis Core.
