Akhetaten, the ancient city founded by Pharaoh Akhenaten, was once a thriving center of religious and political power. Today, its ruins offer a glimpse into a fascinating period of Egyptian history.

## History of Akhetaten

Akhetaten was founded by Pharaoh Akhenaten in the 14th century BC. Akhenaten was a controversial pharaoh who broke with tradition by introducing a new monotheistic religion centered on the sun god Aten. He also moved the capital from Thebes to Akhetaten, which he named "Horizon of the Aten."

Akhetaten was a planned city, and its design reflected Akhenaten's religious beliefs. The city was laid out on a grid pattern, with wide streets and imposing buildings. The most important buildings in the city were the temples of Aten, which were located in the center of the city.

Akhetaten was only inhabited for about 15 years. After Akhenaten's death, his successors moved the capital back to Thebes. Akhetaten was eventually abandoned and forgotten.
