The TestAS Economics is a standardized exam designed to assess the economics knowledge and skills of international students who plan to study economics or economics-related programs in Germany. It is a highly competitive exam, and thorough preparation is crucial for success. Taking the TestAS Economics practice test is a valuable step in your preparation process.

Format of the Practice Test

The TestAS Economics practice test is a computer-based exam consisting of multiple-choice questions. It is divided into two sections: Section 1 and Section 2.

Section 1 focuses on microeconomics and consists of 30 questions.

Section 2 covers macroeconomics and includes 30 questions.

Each question is worth one point, and the total score for the practice test is 60 points.

Difficulty Level

The difficulty level of the TestAS Economics practice test is comparable to that of the actual exam. The questions are challenging and require a good understanding of economics concepts and theories.

Scoring System

There is no official scoring system for the TestAS Economics practice test. However, you can use the following guidelines to estimate your score:

- **30-35 points:** Excellent
- **25-29 points:** Good
- **20-24 points:** Fair
- **15-19 points:** Needs improvement
- **10-14 points:** Poor

Time Management

The TestAS Economics practice test is timed. You will have 90 minutes to complete the exam. This means that you will have approximately 1.5 minutes to answer each question.

It is important to manage your time wisely during the exam. Spend no more than 2 minutes on any single question. If you are unsure about an answer,

move on and come back to it later if you have time.

Helpful Tips

Here are some helpful tips for taking the TestAS Economics practice test:

- **Review the TestAS Economics syllabus thoroughly.** This will help you identify the topics that will be covered on the exam.
- **Take the practice test under timed conditions.** This will help you get used to the pace and format of the actual exam.
- **Review your answers carefully.** There is no penalty for incorrect answers, so it is worth taking the time to make sure that your answers are correct.
- **Don't be afraid to guess.** If you are unsure about an answer, make an educated guess. You may be surprised at how many questions you get right.
- **Stay calm and focused.** The TestAS Economics practice test is a challenging exam, but it is important to stay calm and focused throughout the exam.

Taking the TestAS Economics practice test is an important step in your preparation for the actual exam. By familiarizing yourself with the format, difficulty level, and scoring system of the exam, you can increase your chances of achieving a high score and securing a place in your desired economics program in Germany.
